Regularly \$299.00, now \$249.00, save \$50.00

## Introducing the Collins Coping foot \$39.99

The **Coping Foot** is a dome shape base for the jig saw that allows you to bevel, turn and pitch the blade while changing any of those angles during the cut. Any way the blade is angled the saw is supported right at the kerf. Making a twisting cut such as you would find in a spiral handrail is a skill easy to learn with a coping foot. When the saw is held by the barrel with the blade up, very clean, accurate and complex cuts can be made such as you would encounter coping crown molding.

All Titebond glues 25% off  
Titebond III Ultimate 16oz  
Regularly \$12.99 now \$9.75

LT14 SUV Bandsaw – Who said that you cannot improve on perfection?

The LT14 SUV is an upgraded version of the LT14 3000 series bandsaw - in other words, we have taken something great and made it even greater!

Full of powerful features and massive resawing capacity - fourteen inches - this European style bandsaw has an additional 1 HP Motor (to the LT14 3000 Series) to give you a strong 3HP Leeson motor for tough resawing. Plus we have added rack and pinion upper guide, a convenient foot brake with micro-switch and easy tilt system. If you are looking for the fully loaded Bandsaw, look no further - you have reached woodworking utopia! PS – SUV stands for Souped Up Version!

The best 14" bandsaw on the planet, \$1895.00

Freud P41010" Fusion blade, a total value of \$400.00!

Sawstop [Live Demo](#) Saturday February 12<sup>th</sup>, 11:00 am and 2:00pm

## Laguna 2hp Cyclone with magnetic starter and remote on/off

The Laguna Mobile Cyclone Dust Collectors offer the benefits of a cyclone and the portability needed for workshops of all sizes. The cyclone collection unit allows the wood particles and dust to be separated from the air stream before going to the pleated cartridge filter. This provides superior dust collection and air filtration so that the wood particles do not pass through the efficient fan unit. Dust is collected in a 29 gallon metal collection drum which features quick release and separate wheels for quick and easy emptying. Manual filter cleaning insures that the pleated filter is always ready for the next use of the machine and remains in top shape. A unique feature is the negative pressure hose that is fed to the bottom of the drum to ensure the plastic bag remains inside the drum. The remote control allows you to start the machine from anywhere in the shop saving you time and steps. Industrial casters allow this machine to move easily around your shop. This machine is also very quite, protecting your ears as well as your lungs. Specs: MDC0560-0145, Motor: 2 HP TEFC, Filter: Pleated cartridge 1 micron, Suction: 1600 CFM - 14.8" Static pressure, Inlet: 6" inlet - 2 x 4" splitter included, Capacity: 29 Gallon, Sound rating: 74dB, Weight: 225 lb. / 285 lb. shipping, Size: 36" X 26" X 7

\$1495.00 – This week only, you pick \$200.00 worth of Samona dust collection Accessories for FREE with the purchase of this cyclone

#### Fine print and Frequently Asked Questions Section

Federated Tool reserves the right to limit quantities at their whim for no apparent reason or cause. No Dealers. This sale will not be held over. All items must be invoiced and paid for during the week of Feb 7-12 2011 including back orders to take advantage of special sale pricing. Limit one freebie per person per day from this page. Everything on these 12 pages subject to seemingly random changes at any time in case I made a typo. Reminds me, not responsible for Typos or possible lack of inventory, really, I tried. If you are about to drive 2 hours for something, please call first and have sales person do a physical check to ensure it is actually here. People who fail to call first will be mocked. Can items be backordered? Maybe, depends on the item. Ask when you are in.

Q. – Is that your best price. A.- Yes.

Q. – Does that price include tax? A. - No.

Q. – If my friend Bob also buys one, can we get a better deal? A. – No.

Q. – Do you have contractor pricing? A. – No. Everyone gets the same great deals.

Q. – This item does not have a price on it, does that mean it is free? A. – No.
